TriNovus Forms Partnership with FI Compliance Solutions

Birmingham, Ala., May 18, 2010 – TriNovus, LLC (www.trinovus.com), a company focused on delivering relevant technology solutions to the financial marketplace, announced today a partnership with FI Compliance Solutions (www.ficsas.com), creators of GRC Pro, a web-based service designed to help community banks and credit unions remain healthy, stable, and competitive by ensuring the proper controls are in place to reduce and mitigate enterprise-wide risk.

FI Compliance Solutions will be resellers of TriNovus' TriComply product suite that consists of BankRISK, a loan portfolio stress testing solutions, StartSAFE, a solution for compliance with The Safe Act, and compliance webinars conducted by banking compliance expert Blair Rugh.

“GRC Pro offers institutions a simple and cost effective way to identify, measure, and monitor risk by combining the power of software with implementation assistance and independent 3rd party review,” said David Brasfield, CEO of TriNovus. “We feel it will be a good fit with our current customer base and target market,” he said.

“Now more than ever institutions are facing additional pressure from regulators requiring increased attention to compliance. TriNovus' TriComply product suite meets

several key areas that banks need to address,” said Eric Strohl, president of FI Compliance solutions.
